

## **YOUR SENIORS CAPTAIN'S CHARITY FOR 2010**

### **'SCOPE - WORCESTER'**

Started in 1952 by a small group of parents and known as the Spastics Society, it focused on helping people suffering with Cerebral Palsy.

In 1994 it re-launched itself under the name of 'SCOPE' throughout England and Wales.

Scope provides Respite Care, a Residential School and support in the Community for children through to Adult Life. Geoff Allen works part-time for Scope in the Community.

All monies raised will go directly to benefit disabled people in the Worcester area in the form of specialist equipment and 'trips'.

Your support is greatly appreciated.

Geoff Allen  
Seniors Captain 2010
